

High impact. Low maintenance.

DELL ADVANCED LASER PROJECTOR | P519HL

LAMP-FREE, HASSLE-FREE

Laser technology eliminates the need for replacement bulbs, saving money and time.

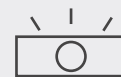

BUILT TO LAST

Laser projectors offer redundant light sources for radiant brightness and color over its ten-year life.¹

BIG PICTURE, BIGGER IMPACT

Project clear, Full HD images up to 300" — ideal for medium to large meeting spaces, such as conference rooms and classrooms.

ANY ANGLE, ANYTIME

The P519HL is engineered to project perfectly — even on its side or upside down.

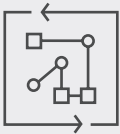

High impact. Low maintenance.

LASER TECHNOLOGY

The Dell P519HL is a lamp-free laser projector that can provide continuous 24/7 operation at a bright 4,000 lumens, for beautiful projection even in less-than-ideal light. With no lamps to replace and 20,000 hours of laser life, you can enjoy up to 10 years of low IT maintenance.

With no replacement bulbs to worry about, and no warm-up or cool-down time, laser projection can save you time and headache.

MANAGE

The RJ45 & RS232 ports allow you to conveniently control your projector via the network or meeting room control systems.

The Dell P519HL can even project from any angle, so it can be placed on its side or upside down for use in variety of spaces.

PRESENT

Project wirelessly over your corporate network or connect directly to the projector with the optional Dell WD518 Wireless Dongle for Dell Projectors. Up to four people can present simultaneously using the Dell Network Projection App Lite, which can be run without installation, so no administrative rights are needed.

RELY ON

Your P519HL projector is backed by support with the 2-Year Advanced Exchange Warranty², and the laser system is covered under the same warranty for up to 20,000 hours of use. If you opt to extend your warranty to 3-, 4-, or 5-years, the laser system is still covered for 20,000 hours use or the term of the warranty.

Features & Technical Specifications

Feature	Technical Specification	Feature	Technical Specification
Projection System	Single Chip DLP LVDS	Dimensions (WxDxH) (excluding feet)	15.2" x 11.9" x 4.5" (386 x 303 x 115 mm)
Lamp Type / Light Source	Mercury-free Laser Diode	Weight	12.6 lbs (5.7 Kg)
Native Resolution	FullHD 1080p (1920 x 1080)	Power Supply	Universal AC 100-240 V 50-60 Hz with PFC
Screen Size - Diagonal	20-300"	Power Consumption	
Contrast Ratio	Dynamic: 100,000 Native: 1,800	Normal Mode	320 ± 15% @ 110Vac
Brightness (ANSI Lumens Max.)	4,000	Eco-Mode	220 ± 15% @ 110Vac
Colors	1.07 billion	Standby Mode	< 0.5W
Lens F-Stop	F2.5	Network Mode	< 2W
Focal Length	32.62mm	Mounting Options	Front / Rear / Front Ceiling / Rear Ceiling
Throw Ratio	1.4-2.24	Noise	
Aspect Ratio	16:9	Typical (Normal Mode)	36 dB(A)
Projection Distance	4.59 – 14.76 ft (1.4~4.5m)	Typical (Eco Mode)	32 dB(A)
Light Source Life¹	Up to 20,000 hours (Normal)	Network Display	Yes
Keystone Adjustment	Auto Vertical Keystone (+/- 30) Manual Horizontal Keystone (+/- 30) Four Corner Correction	PC-Free Presentation	USB Viewer Office Viewer Multimedia Viewer
Audio (Built-in Multimedia Speaker)	2x 10W	Wireless functionality with Dell WD518 Wireless Dongle	Audio Projection Conference Control 4-to-1 Split Screen Duplicate or Extended Display
3D-Capable	Yes	Customizable Startup Display	Yes
Tilt	Front tilt adjustment wheel (-3°~ 3°)	Quick Shutdown	Yes
Projector Security	Kensington lock slot Password protection	Hsync Frequency	15K - 100KHz
Dust Rating	IP5X Certified	Vsync Frequency	50 - 85Hz
Interfaces		Supported media file types	.mp4, .mov, .xvid, .M4V, .avi, .mkv, .ts, mpg, .mpeg
Power	1x AC Power	What's in the box?	1x Dell Projector P519HL 1x Power cord (DAO - 9.8ft, RoW - 1.8m) 1x VGA cable (1.8m / 5.9ft) 1x USB Cable 1x Remote control 2x Batteries (remote control) Quick Start Guide
HDMI	2x HDMI 1.4a		
Audio In	1x Audio-In (3.5mm)
